**TAKE CARE WHEN
REMOVING THE TV**

Important Information

 <div style="background-color: black; color: white; padding: 5px; text-align: center; font-weight: bold; font-size: 0.8em;">CAUTION/ATTENTION</div> <div style="border: 1px solid black; padding: 2px; font-size: 0.7em; text-align: center;">RISK OF ELECTRIC SHOCK. DO NOT OPEN. RISQUE DE CHOC ELECTRIQUE. NE PAS OUVRIR.</div>		 This symbol indicates that this product incorporates double insulation between hazardous main voltage and user accessible parts. When servicing, use only identical replacement parts.
<p>CAUTION: Neutral fusing. Disconnect mains before servicing. ATTENTION: Fusible sur le neutre. Débrancher l'alimentation avant l'entretien. Caution: To reduce the risk of electric shock, do not remove cover (or back). No user serviceable parts inside. Refer servicing to qualified service personnel.</p>		
 This symbol indicates "dangerous voltage" inside the product that presents a risk of electric shock or personal injury.	 This symbol indicates important instructions accompanying the product.	

WARNING

To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. This product should not be exposed to dripping or splashing. No objects filled with liquids, such as vases, should be placed on the apparatus.

WARNING

The TV is unstable if it is not properly attached to the base or mounted to the wall. Please follow the base or wall mounting instructions provided in the User's Guide to ensure your safety.

Warning: The batteries shall not be exposed to excessive heat such as sunshine, fire or the like. Refer to the identification/rating label located on the back panel of your product for its proper operating voltage.

Cable TV Installer: This reminder is provided to call your attention to Article 820-40 of the National Electrical Code (Section 54 of the Canadian Electrical Code, Part 1) which provides guidelines for proper grounding and, in particular, specifies that the cable ground should be connected to the grounding system of the building as close to the point of cable entry as practical.

Important: This television is a table model and is designed to sit on a firm, flat surface. Don't place the TV on soft carpeting or similar surface because the ventilation slots on the bottom of the unit will be blocked, resulting in reduced lifetime from overheating. To assure adequate ventilation for this product, maintain a spacing of 1 inch from the top and side of the TV receiver and 2 inches from the rear of the TV receiver and other surfaces.

Also, make sure the stand or base you use is of adequate size and strength to prevent the TV from being accidentally tipped over, pushed off, or pulled off. This could cause personal injury and/or damage to the TV. Refer to the Important Safety Instructions on the next page.

The Power button  on this TV and your remote control puts the TV into a very low-power standby mode but will not completely turn the power off. In order to completely shut the power off, you will need to disconnect the power cord from the outlet. The mains plug/appliance coupler is used to completely turn off the device. If you prefer to completely turn off the device, you should install the TV in a manner that allows you to disconnect the power cord when desired.

Product Registration

Please register your TCL TV purchase on-line at www.tcl.com. It will make it easier to contact you should it ever be necessary. Registration is not required for warranty coverage.

Product Information

Keep your sales receipt to obtain warranty parts and service and for proof of purchase. Attach it here and record the serial and model numbers in case you need them. These numbers are located on the product.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Keep the apparatus at least 8 inches away from the human body.

Input	Signal Compatibility
Antenna/Cable	480i, 480p, 720p, 1080i (NTSC, ATSC, and QAM formats)
Composite Video	480i
HDMI	480i, 480p, 720p/60Hz, 1080i/60Hz, 1080p/60Hz, 2160p/24/30/60Hz

For the best viewing experience, remove the energy guide label from the TV front panel or TV screen before use.

Important Safety Instructions

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
10. WARNING: Please refer the information on exterior bottom enclosure for electrical and safety information before installing or operating the apparatus.
11. WARNING: The mains plug is used as disconnect device, the disconnect device shall remain readily operable.
12. When not in use and during movement, please take care of the power cordset, e.g. tie up the power cordset with cable tie or something like that. It shall be free from sharp edges and the like that can cause abrasion of the power cordset. When put into use again, please make sure the power cordset being not damaged. If any damages found, please look for the service person to replace the power cordset specified by the manufacturer or have the same characteristics as the original one.
13. No naked flame sources, such as lighted candles, should be placed on the apparatus.
14. Unplug this apparatus during lightning storms or when unused for long periods of time.
15. Only use attachments/accessories specified by the manufacturer.
16. Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
17. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
18. For safe operation of the apparatus, observe these installation requirements:
Keep at least 2 inches of ventilation space between the rear cover of the apparatus and the wall. Keep at least 1 inch of ventilation space between the apparatus and all other surfaces. Do not allow any of the apparatus' ventilation openings to be blocked by objects that might obstruct them, such as newspapers, curtains, table-cloths or any other objects. Do not expose the apparatus to any external heat sources. Do not place any heat sources such as candles, lamps, etc. on the apparatus. Do not expose the device to high levels of humidity or to any possible sources of moisture. When disposing of used batteries from the remote control, consult local regulations regarding proper disposal.
19. If an outside antenna or cable system is connected to the product, be sure the antenna or cable system is grounded so as to provide some protection against voltage surges and built-up static charges. Section 810 of the National Electrical Code, ANSI/NFPA No. 70-2011 (Section 54 of Canadian Electrical Code, Part 1) provides information with respect to proper grounding of the mast and supporting structure, grounding of the lead in wire to an antenna-discharge unit, size of grounding conductors, location of antenna discharge unit, connection to grounding electrodes, and requirements for the grounding electrode. See following example:

Manufactured under license from Dolby Laboratories. Dolby, Dolby Audio, and the double-D symbol are trademarks of Dolby Laboratories Licensing Corporation.

FCC Information

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This Class B digital apparatus complies with Canadian ICES-003.

4-series, include model (85S435)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Supplier Name: TTE Technology, Inc. (dba TCL North America)

Supplier Address: 1860 Compton Ave, Corona, CA 92881, USA

Supplier phone number and internet contact information: 1-877-300-8837 support.tcl.com/us

Battery Caution & Disposal Information

1. For best results, use alkaline type batteries.
2. Install only new batteries of the same type in your product.
3. Failure to insert batteries in the correct polarity, as indicated in the battery compartment, may shorten the life of the batteries or cause batteries to leak.
4. Do not mix old and new batteries.
5. Do not use Rechargeable (Nickel Cadmium or Nickel Metal Hydride) batteries.
6. Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium or Nickel Metal Hydride) batteries.
7. Do not dispose of batteries in fire.
8. Batteries should be recycled or disposed of as per state and local guidelines.
9. Replacement of a BATTERY with an incorrect type that can defeat a SAFEGUARD (for example, in the case of some lithium BATTERY types).

ELECTRONICS RECYCLING INFORMATION FOR CONSUMERS

TCL strives to provide a high level of service to our customers and in the communities we serve, and recommends that consumers always look for a recycling or reuse alternative to throwing away televisions and other electronics. We encourage customers to recycle end-of-life electronic devices using one of the many convenient methods available today. In many states TCL has programs in place to enable consumers to drop-off and recycle televisions free of charge. For information on electronics recycling in all 50 states, including drop-off locations, please visit the “Electronics Recycling” area of the TCL USA website at www.tcl.com.

What's in the box

TCL Roku TV

TV stands

Power cable

M5X25mm

10 x Stand screws
(Stand screws are attached to the TV.)

2 x AAA batteries
for remote

TV remote

What you need

Phillips head
screwdriver

Make the most of your Smart TV

Router + Internet Connection
(needed for streaming)

For additional support, please see User Manual at: support.tcl.com/us

Key things to know: A paid subscription or other payments may be required for some streaming channels. Channel availability subject to change and varies by country.

Step 1 Set up your TV

Ready for the step-by-step? You're only minutes away from TV bliss!

Remove your TV from the box

Be careful, it's heavy!

To mount your TV on a wall, skip to page 6.

To use the stand

- A** Carefully remove the foam packaging on the left and right sides of the TV. Keep the bottom foam packaging attached as shown in Image #1. On the back of the TV, remove the ten (10) stand screws from the mounting holes located on the lower corners of each side. Set the screws aside.
- B** Remove the two (2) plastic covers from the stand holes on each side of the TV (refer to the objects marked "B" in Image #2). Put them away for future needs.
- C** Insert the stands *into* the holes where the plastic covers were removed in the previous step. Carefully align the stands with the screw holes on each side of the TV.
- D** Screw in the ten (10) screws you removed in step #1 back into the mounting holes to secure the stands to each side of the TV. Before moving the TV to its preferred and final location, two (2) people should lift the TV enough to allow the third person to remove the bottom foam packaging.

Note: We recommend having three (3) people help to safely install the stands. While two (2) people securely hold the TV upright, another person should install the stands. Make sure the direction and position of each stand follows the illustrations as shown in the images below.

Optional - To mount on a wall

(wall mount not included)

To mount on a wall

Preparation must be done before mounting your TV on a wall.

If you are mounting your TV to the wall, don't attach the stands.

To mount your TV to the wall, purchase a VESA wall mount

Models of 85"

Purchase a VESA 600x400 (4 M8x20mm screws)

The VESA number is the horizontal and vertical measurement of the mounting holes. For example, 200X200 refers to the fact that the mounting measurements are 200mm horizontally and 200mm vertically.

Follow the instructions that come with the wall mount.

Your wall mount must be able to bear a minimum of five times the TV's net weight to avoid causing damage.

Warning:

Never place a television set in an unstable location. A television set may fall, causing serious personal injury or death. Many injuries, particularly to children, can be avoided by taking simple precautions such as:

- Using cabinets or stands recommended by the manufacturer of the television set.
- Only using furniture that can safely support the television set.
- Ensuring the television set is not overhanging the edge of the supporting furniture.
- Not placing the television set on tall furniture (for example, cupboards or bookcases) without anchoring both the furniture and the television set to a suitable support.
- Not placing the television set on cloth or other materials that may be located between the television set and supporting furniture.
- Educating children about the dangers of climbing on furniture to reach the television set or its controls.

If your existing television set is being retained and relocated, the same considerations as above should be applied.

Step 2 Power up

In this step, we'll make sure all systems are GO!

Connect your power cable to the TV, then plug it in to the wall outlet.

Power your TV remote by inserting the included batteries.

Connect other devices by referencing port label and descriptions on the bottom of page 8.

Power Tip! Always replace depleted batteries with two same brand-new batteries from the same manufacturer. Never use damaged batteries.

If your remote gets warm/hot during use, discontinue use and contact customer support immediately at support.tcl.com/us

Insert batteries in the correct polarity as indicated in the battery compartment.

Step 3 Grab your remote

The TV remote should feel right at home in your hand. We designed it to be incredibly intuitive for watching TV and navigating on-screen menus.

Here are some buttons you should know about.

- A POWER** Turn TV on and off
- B BACK** Return to previous screen
- C HOME** Return to Roku Home screen
- D VOLUME** Raise and lower volume
- E INSTANT REPLAY** Replay the last few seconds of streaming video
- F OPTIONS** View more options
- G RWD SCAN** Rewind streaming video, scroll left one page at a time
- H FWD SCAN** Fast forward streaming video, scroll right one page at a time

Tip! The ***** button gives you easy access to picture settings, display options, and more. Try it on every screen!

Step 4 Get to know your TV

- D ETHERNET** Connect an Ethernet cable to your home Internet router or switch.
- E RESET BUTTON** Press once to restart your TV. Press and hold for factory reset, and careful, you will lose all your settings!
- F HDMI* PORT** Highest quality audio/video connection. Connect cable box, Blu-ray player, gaming console, or other devices to your TV using HDMI cables.
- G HDMI ARC PORT** Connect HDMI ARC (audio return channel) capable audio devices like sound bars or AV receivers.
- H ANTENNA/CABLE IN** Connect an outdoor VHF/ UHF antenna or Cable TV feed.
- I USB PORT** Connect a USB device to access photos, music and movies.
- J AV IN adapter** AV Input (analog audio/video). The AV Input can be used to connect older devices that use analog audio/video outputs. Compatible adapter (not included) connects to the RCA cable (video - yellow and audio - white and red) that you normally use to connect to that device.
- K HEADPHONE OUT** Connect headphones or other external speakers.
- L OPTICAL (DIGITAL AUDIO OUT)** Connect an optical cable to an external digital audio system.

- A STATUS LIGHT** Glows when the TV is in standby.
- IR RECEIVER** Receives signal from the TV remote.
- B POWER and OPTIONS BUTTON** Press once to open the menu. Press and hold to turn off the TV.
- C POWER PORT** Connect your TV to the power source with the included power cable.

Step 5

Complete guided setup and activation

It's the final stretch—hurray!

Let's Connect

Your TV will automatically detect wireless networks in your area. Have your network name and password handy and follow the easy on-screen instructions.

Your Roku account: Activate your TCL Roku TV using your computer, smartphone, or tablet to link to a Roku account. You need a Roku account to activate your TV and access entertainment across thousands of streaming channels.

IMPORTANT: Roku doesn't charge for activation support - beware of scams.

Roku accounts are free and while a valid credit card number is not required to create a Roku account, saving your credit card information makes renting, purchasing, and subscribing to entertainment from the Roku Channel Store fast and convenient.

Once connected to your account, your TV will automatically update with the latest software, and you can start streaming immediately.

If you aren't ready to connect your TV to a wireless network, you can still use it as a regular TV.

And setup is done...**congratulations!**

Continue using the remote to personalize your Home screen and channel line-up, stream movies, and so much more.

If you have an antenna or cable connected, just click the tuner tile to watch broadcast TV channels. The fun has just begun!

Viewing 4K Ultra HD Content

4K Spotlight Channel

The Roku 4K UHD Spotlight channel features many movies and TV shows available in 4K UHD resolution from streaming services such as Netflix, Prime Video, VUDU, and more.

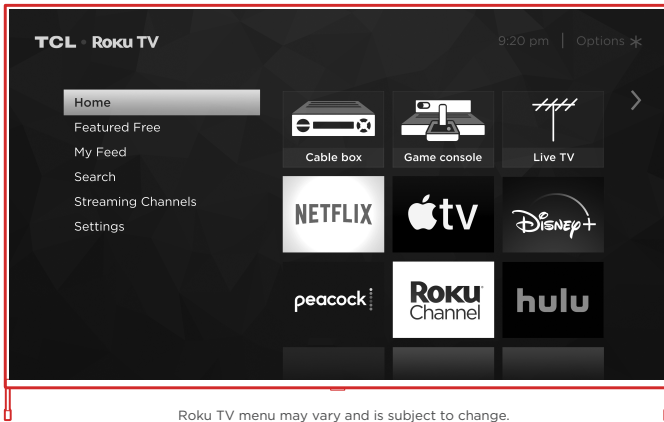

Key things to know: A paid subscription or other payments may be required for some channels. Channel availability subject to change and varies by country. 4K content will not be available on all channels.

Next Generation 4K HDR Devices

With HDMI inputs supporting the latest HDMI standards, connect next-gen game systems, Ultra HD blu-ray players and more to enjoy highest-quality 4K high dynamic range sources.

Upscale 1080p HD to 4K Ultra HD

Enjoy your favorite shows upscaled to near 4K Ultra HD quality with TCL Creative Pro upscaling.

Roku TV menu may vary and is subject to change.

Connecting brings out your TV's full potential!

Access thousands of streaming channels*.

Make any night a movie night

Access more than 500,000 movies and TV episodes across major streaming services like Netflix, Hulu, GooglePlay Movies & TV, VUDU, and more.

Choose from free, rental, and subscription services.*

Stream sports on the big screen

Choose from over 140 sports channels like WatchESPN, FOX Sports GO, NBA, NFL, MLB.TV, WWE Network, CBS Sports, and more.

Explore your passions

In addition to popular streaming channels like HBO NOW, Showtime, PBS Kids and ESPN, your TCL Roku TV also offers hundreds of streaming channels to fuel your passions - including fitness, cooking, religion, outdoors, international programming, and much more.

Enjoy tons of free channels and free trials

Your TCL Roku TV has hundreds of popular free channels like The CW, The Roku Channel and more. Plus free trials** to popular subscription services like HBO NOW, Showtime, Netflix and Hulu.

*Subscription or other payment may be required to access certain channels. Content may not be available in all areas in which the TCL Roku TVs are sold and channel availability is subject to change. **Cancel before free trial ends to avoid subscription fees. Credit card may be required.

Easy Voice Control

Find movie titles, launch or change channels, even switch inputs, using the voice control feature available through the Roku mobile app (iOS or Android mobile device required), or with compatible third-party voice assistant devices and voice-enabled remote controls that can be purchased separately. This feature works with both Alexa and Google Assistant and will require a free Roku account to set up.

Google Assistant

You can use Google Assistant-enabled devices to search and control playback of content, and the ability to launch select streaming channels. Additionally, you can turn your TV on and off, turn up the volume, mute, switch inputs and change channels, if there is an Over-The-Air antenna connected.

NOTE: Netflix is currently not supported when using Google Assistant on TCL Roku TVs. Below is the list of Netflix-related restrictions:

- Netflix cannot be launched by voice using Google Assistant.
- Voice commands are not supported while on the Netflix channel.
- Netflix results will not appear when searching using Google Assistant.

To use the Google Assistant to search and control your TCL Roku TV, you need to link your Roku account to your Google account using the Google Home mobile app on your iOS or Android device. Here are the step-by-step instructions:

1. Launch the Google Home mobile app.
2. Tap the Add button.
3. Tap "Set up device."
4. Select "Have something already set up?"
5. Search and select "Roku" from the list.
6. When prompted, sign in to your Roku account.
7. Select the Roku device you wish to control with the Google Assistant.

NOTE: If multiple Roku devices are linked to your Roku account, you can only select one Roku device to control with the Google Assistant.

8. Select a location for your Roku device.

Amazon Alexa

You can use Amazon devices, or the Amazon and Alexa Apps to search and control playback of content, and the ability to launch select streaming channels. Plus, you can power the TV screen on and off, adjust the volume, switch between different input devices such as Over-The-Air antenna, cable box, game consoles, etc. once connected.

NOTE:

- The Roku skill for Amazon Alexa is currently only supported in the United States.
- Using your voice to launch Netflix or access Netflix content is not currently supported when using the Roku skill for Amazon Alexa.
- The Roku skill for Amazon Alexa does not support all Roku voice capabilities.

To use Alexa to search and control your TCL Roku TV, you need to link your Roku account to your Alexa account using the following steps:

1. From your mobile device, launch the Alexa Mobile app.
2. Tap or select "Menu" followed by "Skills & Games".
3. Search for "Roku" in the search bar.
4. Find and select "Roku" from the list.
5. Tap or select "Enable Skill".
6. When prompted, sign in to your Roku account.
7. Select the Roku device you wish to control with Alexa. Note: If multiple Roku devices are linked to your Roku account, you can only select one Roku device to control with Alexa.
8. Close your Roku account.
9. The Alexa app will look for your Roku device on the Device Discovery screen. Make sure your TCL Roku TV is powered on otherwise the Alexa app will NOT find/see it.
10. When prompted select the TCL Roku TV you would like to control with Alexa.
11. Select the Alexa device you would like to control your TCL Roku TV.
12. Proceed to the home control tab of the Alexa app. (The house icon with controls on the bottom right).
13. Tap on the existing group you wish to add your Roku device to or create a new group by tapping on the add button on the top right corner.
14. Tap on the Roku device and ensure the Enabled switch is turned on.

TCL North America Limited Warranty

All TCL LCD/LED Models

What your warranty covers

Defects in materials or workmanship to the **original owner** of this TCL product when purchased **as new from an Authorized Dealer** of TCL brand products in the United States and packaged with this warranty statement.

New LCD/LED Televisions (Non-Commercial Use)

For how long after your purchase:

- **One (1) year from date of purchase for parts and labor for non-commercial use.**

New LCD/LED Televisions (Commercial Use)

For how long after your purchase:

- **Six (6) months from date of purchase for parts and labor for commercial use.**
- Commercial use includes, but is not limited to, the use of this product in a commercial or business environment, the use of this product in an institution or for institutional purposes, or other commercial purposes including rental purposes.

What we will do

- At TCL North America's discretion, (1) pay an Authorized TCL Service Center for both labor charges and parts to repair your television, or (2) replace your television with a new or refurbished / remanufactured equivalent value product. The decision to repair or replace will be made solely by TCL North America. See "How to get service".

How to get service

- Please have your original purchase receipt or proof of purchase (bill of sale or receipted invoice) which states that condition of the unit (New, Used, etc.), the unit's date of purchase, place of purchase and model/serial number ready. The model/serial number information can be found on the back of your unit.
- Call 1-877-300-8837 or visit support.tcl.com/us
- A representative must troubleshoot your problem over the telephone or through e-mail before receiving service. If it is determined that your unit requires service, the service location will be at the sole discretion of TCL North America based upon the TCL North America Limited Warranty Statement.
- At the sole discretion of TCL North America, television screen sizes 43" and smaller will either be repaired at an Authorized TCL Service Center or directly exchanged for a new or refurbished/recertified unit. At the sole discretion of TCL North America, television screen sizes 44" through 75" or larger will either be repaired or directly exchanged for a new or refurbished/recertified unit at an Authorized TCL Service Center or repaired in-home. In the event of a service visit where the on-site technician, in his/her sole discretion, deems the home or property conditions to be hazardous and/or unsafe, TCL North America reserves the right to cancel or re-schedule the service visit, or opt for an exchange of the in-warranty unit for a refurbished/recertified unit lieu of the in-home service visit.
- If repaired at an Authorized TCL Service Center, TCL North America is not responsible for transportation costs to the Authorized TCL Service Center. However, TCL North America will pay for return shipping. TCL North America will provide instructions for packaging and shipping the unit. **Units that are improperly packed and damaged during shipping are not covered under your product warranty.**
- Proof of purchase in the form of a bill of sale or receipted invoice from an Authorized Dealer which is evidence that the product is within the warranty period must be presented to obtain warranty service.
- In the event that a unit is to be replaced, a picture of the back of the unit showing the model and serial number and picture of the issue itself may be required.
- **PRE-AUTHORIZATION MUST BE OBTAINED BEFORE (1) SENDING ANY PRODUCT TO AN AUTHORIZED TCL SERVICE CENTER, OR (2) OBTAINING ANY IN-HOME REPAIR/REPLACEMENT/ RENTAL SERVICES.**

TCL North America Limited Warranty

What your warranty does not cover

- A unit sold in “As-Is”, “Used”, “Factory Reconditioned”, “Factory Re-Certified”, or “Refurbished”, condition or with faults.
- Units physically broken during shipment from a Retailer. Please contact your Retailer for assistance.
- Extended Service Plans purchased from Retailers. Please contact your Retailer for assistance.
- Customer instruction. (Your Owner’s Manual describes how to install, adjust, and operate your unit. Any additional information should be obtained from your Authorized Dealer).
- Installation and related adjustments, or damage resulting from installation.
- Damage resulting from non-approved installation or repair methods.
- Signal reception problems not caused by your unit.
- Damage from misuse, abuse, neglect, insects, normal wear and tear, cosmetic damage, mishandling, faulty installation, or power line surges.
- Markings or images on the television’s panel resulting from viewing fixed images (including but not limited to certain 4:3 images on wide screen televisions, or data or images in fixed screen locations from banners, video games, or certain broadcast networks).
- Units that have original factory serial numbers that are unreadable or missing, or that have been changed, defaced, or altered in any manner.
- Batteries.
- A television that has been modified or incorporated into other products, or that has had the serial number removed or altered.
- A unit purchased or serviced outside the USA.
- Acts of nature or God, such as but not limited to earthquake or lightning damage.
- Special, incidental or consequential damages.

LIMITATION OF WARRANTY

- THE WARRANTY STATED ABOVE IS THE ONLY WARRANTY APPLICABLE TO THIS PRODUCT. NO VERBAL OR WRITTEN INFORMATION GIVEN BY TCL NORTH AMERICA, ITS AGENTS OR EMPLOYEES SHALL CREATE A GUARANTY OR IN ANY WAY INCREASE OR MODIFY THE SCOPE OF THIS WARRANTY.
- REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER. TCL NORTH AMERICA SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. THIS DISCLAIMER OF WARRANTIES AND LIMITED WARRANTY ARE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE APPLICABLE WARRANTY AND WARRANTY PERIOD SET FORTH ABOVE. THIS WARRANTY IS SUBJECT TO CHANGE WITHOUT NOTICE. PLEASE VISIT WWW.TCL.COM TO VIEW THE MOST CURRENT VERSION.

How State Law relates to this warranty

- Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.
- This warranty gives you specific legal rights, and you also may have other rights that vary from state to state.

If you purchased your unit outside the United States or seek warranty coverage outside the United States:

This warranty does not apply. Contact your dealer for warranty information.

Service calls which do not involve defective materials or workmanship are not covered by this warranty. Costs of such service calls are the sole responsibility of the purchaser.

Troubleshooting

Having trouble completing the guided setup? Don't worry, it's usually an easy fix.

4K Picture Quality

- 4K picture quality is largely dependent on the source. Make sure your source content is 4K.
- To stream 4K, we recommend a broadband speed of 25Mbps for optimum viewing.
- For Cable, Satellite, Gaming Consoles, and Blu-Ray players, we recommend using "High-Speed HDMI cables."

My picture is too small (black bars on the side)

- Play your movie/video and press the (*) asterisk button.
- Select **Picture Size**, select the picture size of your preference.

How to install the Remote Control Mobile App

The free Roku app allows you to use your mobile device as a full functioning remote control with voice search & keypad.

- Download the Roku app to your phone or tablet through Google Play or Apple App Store.
- Simply search for "Roku App" and choose the Roku app by Roku Inc.
- Follow the onscreen prompts and you're on your way!

How do I turn the Text-to-Speech (TTS) audio guide on or off?

- Press "*" key on the remote controller four times to turn the audio guide on or off.

Or

1. Select "Settings" at home screen
2. Select "Accessibility"
3. Select "Audio Guide" and turn it on or off

Cannot connect to wireless network (WiFi)

- Select the correct wireless network name and verify the password entered (case sensitive).
- Relocate the router from objects that interfere with performance (cordless phones, baby monitors, etc.).
- Reboot the router by disconnecting the power for more than 2 minutes and reconnect.

Problems connecting my cable/satellite box or antenna through a coax cable

- For best performance, use the HDMI connection. If not available, then:
- Make sure the cable connections to the TV and your device are securely fastened.
- Select **cable/satellite box** or **antenna TV** input.
- Select "**start finding channels**" and follow the on-screen instructions to perform a full channel scan.

What is the remote code for programming my Universal or Cable/Satellite box remote control
